2. []			Enclosed are a series of notes that have been flying around here at Headquarters on the topic of "cables." I think you should be aware of the dialogue.	
3. C/FND Van	02 SEP 1987		I suggest you get in touch with Ed Maloney and make arrangements to send [] abroad to visit two or three of our communications installations, including a large one. If he is going to stimulate discussions such as revealed in these messages--and I'm not against that--he ought to have a bit more exposure to OC abroad.
